

## We are looking for you!

### Part-time Marketing & Sales Intern

We offer a dynamic working atmosphere in an exciting growth environment and are looking for a

### **Part-time Marketing & Sales Intern**

#### **ABOUT US:**

Exeon Analytics AG is a Swiss cyber security company that is specialized in detecting hidden data breaches and advanced cyber attacks. The ETH spin-off company was founded in 2016 by its CEO David Gugelmann and implements the results of 10 years of award-winning academic research. Exeon's flagship product, ExeonTrace, effectively identifies gaps in IT security perimeters and detects anomalies in millions of IT data points (log data).

#### **ABOUT THE POSITION:**

- This is an open-ended part-time position, ideal for students
- You will be responsible for the social media presence of Exeon Analytics (mainly LinkedIn & Facebook)
- You will support the team maintaining and improving Exeon Analytics' website as well as newsletter from a content & design perspective
- You will be responsible for organizing Exeon Analytics presence on various events and conferences
- You will support the sales process through LinkedIn lead generation, preparation of presentations, keeping the CRM up to date etc.

#### **ABOUT YOU:**

- You are a Bachelor (or early Master student) ideally studying Communication, Design or Business Administration
- You have a flair for Marketing and Sales and would like to actively shape the processes in a vibrant start-up
- You ideally have already some work experience and are able to work 30-50% during the whole year
- You have a good command of German and English
- You have excellent Word and PowerPoint skills and Excel is no foreign territory
- Any experience with WordPress and LinkedIn Sales Navigator is a plus

#### **ABOUT THE APPLICATION**

Please send your application (CV and motivation email) to [hr@exeon.ch](mailto:hr@exeon.ch). Should you have any questions regarding the position, please reach out to Carola Hug, +41 79 733 94 31.
